High performance, high resolution, easy-to-use expansion module

D7 Expansion Module

Key Features

- 18 highly configurable self-labeling LED keys
- High-resolution black & white display with backlight
- Daisy chain up to 3 modules
- Plug and play
- Power supplied by phone via USB port

Highly Versatile

The D7 expansion module features 18 multicolor LED keys which can be programmed with all functions available known from snom phones like line, speed dial, busy lamp field, presence indication, and many more.

The call or presence status of your contacts is presented by the D7's multi-color LED keys at any given time. The high-resolution display provides a perfect visual interface which can be easily configured and labelled via the phone's web interface or directly on the phone itself.

Ease of Use

Using the D7 could not be easier: simply connect the USB cable and it's ready to use. Even power is supplied by the host phone[1].

Three D7 expansion modules can be daisy-chained to add up to 54 function keys to your phone. The last D7 in the chain offers a USB port to connect other peripheral USB devices to the host phone. Thus, A USB headset or a WLAN stick can be used.

The D7 is the perfect addition to any snom 7-series desk phone with a USB port[2].

Key Features

- High-resolution graphical display with backlight
- 18 freely programmable multicolor LED function keys
- Dual-angle footstand: 46° and 28°
- Daisy chainable
- Fully configurable via host phone
- Powered by host phone[1]

Installation

· Plug and Play
· Completely configurable via host phone

Specifications, Weights and Dimensions

· Dimensions (approx.):
   · 5.43" x 1.3" x 6.18"
   · With desk stand: 5.43" x 8.66" x 4.92"
· Weight (approx.): 0.76 lbs
· Input voltage: 5Vdc (SELV)
· Power supply: USB or 5Vdc power adapter
  (3), 10 Watts
· USB 2.0 cable with angled type A plug
· USB 2.0 port, type A
· Environmental conditions:
   · Ambient temperature:
    0°C to 35°C (32°F to 95°F)
   · Non-operation:
    -10°C to 45°C (14°F to 113°F)
   · Humidity: 5% to 95%
    (non-condensing)
· Included in delivery:
   · Base unit
   · Foot stand
   · Quick Start Guide
· Color: Black
· Warranty: 3 Years
· Part Number: 00004011 (all markets)
· APN: 80-S049-00

(1) When two or three modules are used with one phone, a separate power supply needs to be connected to the second module.

(2) Suitable for:
· Snom D715 (APN 80-S002-00)
· Snom D717 (APN 80-S065-00)
· Snom D725 (APN 80-S003-00)
· Snom D735 (APN 80-S052-00)
· Snom D745 (APN 80-S004-00)
· Snom D765 (APN 80-S005-00)
· Snom D785 (APN 80-S006-00)

(3) Optional accessory
(see below for part numbers)

APN numbers for optional accessories
26-350200-3UL   Power Adapter Snom A6 / US clip

POWER
PoE from deskset or
single AC adapter

POWER
